Physique America

appoints

Richard Siegelman

Chairman/Director of Maryland

Physique America announces that effective immediately Richard Siegelman, will assume the position of Chairman/Director of the State of Maryland. Richard is a former NPC amateur champion, achieved Pro Status in the Pro League and has been an NPC/Pro League Promoter for over 15 years.

Mr. Siegelman states “I am very pleased to announce that myself and my company, Kutz Promotions, has accepted the position of Chairman/Director of the State of Maryland for IFBB Physique America. Due to the recent disturbing articles and allegations The Washington Post has uncovered about the NPC/Pro League, I could no longer continue my relationship with them. Being in law enforcement for over 3 decades and having continued ties to the law enforcement community, I could not in good conscience, morally or ethically, support the NPC/Pro League any further.”

Physique America is ecstatic to have to have Mr. Siegelman, a man of veracity and expertise, join our Federation. To compete in Physique America Maryland events, contact Richard Siegelman at kutzpromo@gmail.com or at 240-404-8249.
